Is it possible to schedule a conference call for Sen. Inhofe's staffer next week?

Subject: EPA Actions in PA

Morning Pamela,

I saw yesterday that EPA was discussing "multimedia" investigations in Washington County, PA which began as early as September. With these new investigations just being made public as well as the agencies continued action in Dimock, I would like to request a briefing from staff sometime next week to get an update of the agencies actions in the area as well as latest findings. Please let me know what would work on your end and I can make sure I am available.

Thanks,

Dimitri
